ORDER

It appears appropriate to grant an extension of the
deadline for Plaintiff to respond to the pending motion in
order to try to facilitate settlement.

Accordingly:

1. The deadline for Plaintiff to respond to the
pending motion is hereby extended to August 9,
2004.
2. The extension is a week longer than requested by
Plaintiff to insure that the case will either be
settled or proceed without further extensions
that are opposed by Defendants.

SO ORDERED, on Monday, July 19, 2004.
